

# Giving for Growth

2018

As a church, we want to grow in our love for God and our love for others.

A great way of expressing our love is through giving. Through giving, we can make a big difference in our church, community and the world. We can give in many different ways – including using our time and talents. This leaflet explains how you can give your money and answers some questions on the difference it will make.

## Did you know . . . ?

In the last few years, our giving has enabled us to expand our exciting work with **families** and **young people** by employing skilled leaders and improving our **community** facilities.

We can receive **£25 extra** from the government **for every £100** you give - if you are a taxpayer and fill in the **Gift Aid Form**.

We receive **no income** from the wider **Church of England**. Instead, some of our giving supports churches in poorer areas nearby.

**The Bible** encourages us to give generously and cheerfully from what we have, with a benchmark of **10% of income**. For some this is difficult, whilst others are able to give much more. Paul encourages each of us to consider our own **consciences and circumstances** (2 Cor 9:6-11)

Giving enables **Growth**. We need more money and time given to continue what we currently do. Extra would enable us to do more to **share God's love** in Alsager and through partners to needy areas of the world.

**Giving** some or all by **Standing Order** allows us to **plan** as a church. It particularly helps us know whether we can employ & **pay staff**.

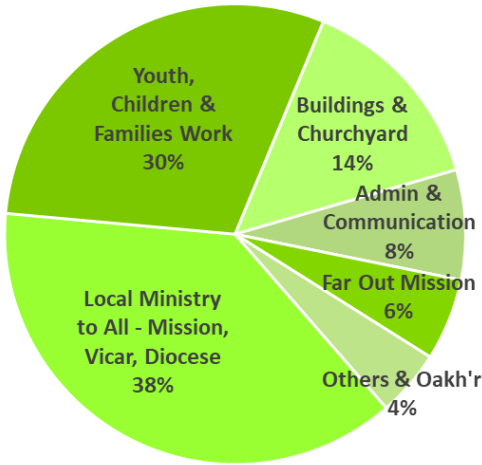

Church members give **over 100 hours a week** voluntarily! Some are able to give more **time** some more money. Both are vital!

Your giving makes a difference!  
Giving **£20 per week** pays for **1 ½ hours** of weekly **youth or children's work** if Gift Aided

**Legacies** can make a big impact. Have you considered including Christ Church in your **will**?

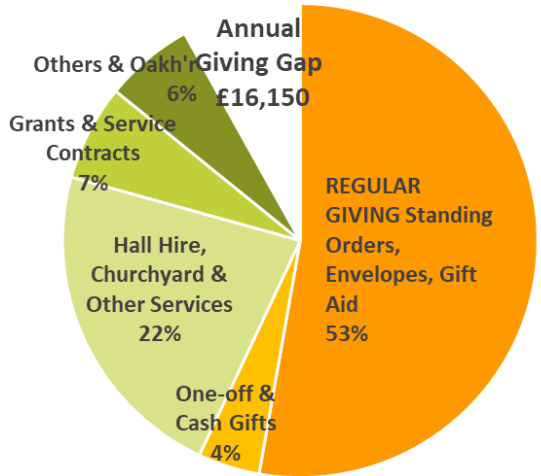

Our circumstances change and church running costs increase. A helpful habit is to **review** and update your giving **annually**.

## Expected Expenditure 2018

Total: £199,700

## Expected Income 2018

(based on 2017 giving)

### The charts above show our expected income and expenditure for 2018.

They show a 'giving gap'. This means that we have a shortfall in regular giving if we want to continue doing what we currently do – or expand. The figures exclude one-off gifts and legacies which close the gap, or exceptional costs such as big maintenance bills, which widen it.

### We are very grateful for all gifts received.

It helps us to plan if we know we can rely on your gift and also if you review the amount you give annually. However, we also know that circumstances change and you are free to change your standing order at any time by telling your bank. (Do please let us know too)

The amounts individuals give are kept confidential to the Covenants Officer and Treasurer. No-one else knows –even the vicar.

### Please now complete the form opposite on both sides. Thank you!

### Giving Time

Giving your time will also make a big impact – whether it's a few days every week, or a few hours each month. It takes both time and money to make things happen. Some are able to give more of one than the other. Both are vital.

If you would like to give more of your time, then please have a chat with a leader in the church. There's lots to get involved in! Thank you.

### Prayer

Please do also pray regularly for our church and our community. Prayer is essential for a healthy church as we seek to follow God's calling. Thank you.
