There are hearing loops in both the church and the hall

If you would like to support our work financially

Our church, like all in the Church of England, has to finance itself and make a contribution to the cost of its clergy and the wider church. It costs over £4,000 per week to run Christ Church which includes our staff, youth and children's activities, maintaining, heating and cleaning our church and hall and the many community activities that we support. There are lots of ways you can give to support our work both financially and practically so if you'd like to find out more, just pick up a 'Giving for Growth' leaflet from the church porch or download one from the downloads page of our website. Regular giving helps us plan and if you're a taxpayer gift aid can make your giving worth more to us - just fill in the form or ask any of our service leaders if you want to know more.

Want to keep in touch?

Please complete a welcome card and pop it in a box at the back of church. You can always choose to unsubscribe.
